 Johnny Dilda, President

The Century Board located at the entrance of the Farmville Central High School is a great way to let your community know that you support your local school. The Century Board is a year long advertisement and will be in place through out the entire school year. For \$100.00 contribution, your business name can be placed on our Century Board. Also this year we will have all Century Board Donors printed the major home sporting events and announced during the games. You may also choose to do an ad in our programs that will be block advertisement for your business. Please attach business card or business logo for program ads.

- Century Board Sponsor \$100.00
- Ads in Programs \$100.00 ~ Block advertisement in all home football & basketball games

Please print in all caps the name or business name as you would like for it to be displayed on Century Board.

I have enclosed a check in the amount \$ \_\_\_\_\_ for the above marked advertisements.
